Internship Opportunity with Centre for Justice at India Institute

Centre for Justice is a unit of India Institute, an international award-winning not-for-profit, independent policy research and advocacy organization. The Centre's mission is:

1. To secure individual liberty from excessive government regulation;
2. To promote rule of law; and
3. To promote competition

The Centre is currently accepting applications for the position of "Research Intern-Legal" on a rolling basis. Our interns work on live projects that give enormous exposure to domain knowledge, research techniques and working in a professional setup.

Eligibility:

1. Students enrolled in a 3-year LLB programme and currently in their 4th semester; and
2. Students enrolled in a 5-year LLB programme and currently in their 6th semester.

Minimum period of internship: Two (02) months

Place of Work: The selected intern(s) will work from our office in Saket, New Delhi.

Interested candidates may email their resume with a cover letter to intern@indiai.org. Please mention "Application – Research Intern – Legal" in the subject line.
